

**Ar-ChemAG**

# AGRI-BEST FOAM MARKER

## AGRICULTURAL FOAM MARKER CONCENTRATE

Aids in uniform application of fertilizers and pesticides  
Compatible with Ar-Chem AG Foam Tank Anti-Freeze

### DANGER

Flammable liquid and vapour. Causes skin irritation.  
May cause an allergic skin reaction. Causes serious eye damage.  
May cause drowsiness or dizziness.

**KEEP OUT OF REACH OF CHILDREN**

NET CONTENTS:  1  5  20  35  55 Gallon(s)

## Ar-ChemAG AGRI-BEST FOAM MARKER

PO BOX 245013

**DANGER:**  
Flammable liquid and vapour. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye damage. May cause drowsiness or dizziness.

**PREVENTION:**  
Keep away from heat, open flames, sparks. - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical, lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing mist, spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Contaminated work clothing must not be allowed out of the workplace. Wear eye protection, protective clothing, protective gloves. Take off contaminated clothing and wash it before reuse.

**IF ON SKIN (OR HAIR):**  
Take off immediately all contaminated clothing. Rinse skin with water/shower.

**If skin irritation or rash occurs:** Get medical advice/attention.

**IF INHALED:** Remove person to fresh air and keep comfortable for breathing.

**IF IN EYES:** Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor, a POISON CENTER. Call a doctor, a POISON CENTER if you feel unwell.

**In case of fire:** Use carbon dioxide (CO<sub>2</sub>), dry extinguishing powder, foam to extinguish.

**STORAGE:**  
Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up.

**DISPOSAL:**  
Dispose of contents/container to comply with local/regional/national/international regulations.

**NFPA® RATINGS:**  
Health: 2; Flammability: 3; Reactivity: 0

**INGREDIENTS/CAS #:**  
Sodium Laureth Sulfate/9004-82-4; Water/7732-18-5; 1-Butanol/71-36-3; Ethanol/64-17-5; Ammonium Decyl Alkoxy Sulfate/65423-86-1; Ammonium Polypropoxypolyethoxydodecyl Sulfate/65423-84-9; 1-Dodecanol/112-53-8; Alcohols (c12-c15 Ln Saturated) Ethoxylate/68131-39-5; 1-Tetradecanol/112-72-1

Use expensive fertilizers and herbicides more economically by including **AR-CHEM AG AGRI-BEST FOAM MARKER** in your spraying operation. This synthetic, non-protein foam concentrate was formulated to mark spray swaths when applied with conventional agricultural foam generators. **AR-CHEM AG AGRI-BEST FOAM MARKER** produces a thick, long lasting, highly visible foam, even under field conditions of extreme heat, intense sunlight and dry soil. **AR-CHEM AG AGRI-BEST FOAM MARKER** gives the user accurate applications of expensive chemicals at a cost of pennies per acre.

**DIRECTIONS:**  
Depending upon water hardness, **AR-CHEM AG AGRI-BEST FOAM MARKER** may be used at dilutions ranging from 120:1 to 60:1. Under most water conditions the dilution will be 80:1 (1/2 gallon of **AR-CHEM AG AGRI-BEST FOAM MARKER** to 40 gallons of water). If foam is "soupy" or runny add more **AR-CHEM AG AGRI-BEST FOAM MARKER** in small quantities (one pint) until a thick, abundant, "shaving cream" type of foam is generated. If foam is too dry, increase the dilution ratio with water. In soft water conditions, a dilution of up to 120:1 may be achieved. If poor foam is still produced, check for a malfunction in the foam generating system.

If possible, fill the foam tank one-half full of water, add **AR-CHEM AG AGRI-BEST FOAM MARKER**, then finish filling the tank by placing the hose in the bottom of the foam tank to avoid excessive foaming out of the top of the tank.

**IMPORTANT:** Do not mix **AR-CHEM AG AGRI-BEST FOAM MARKER** with any other foam marker concentrate. **AR-CHEM AG AGRI-BEST FOAM MARKER** is a carefully tested blend of foam additives and stabilizers that may not be compatible with other products. A mixture will likely result in poor quality foam.

### KEEP FROM FREEZING

**WARNING:**  
This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.
