AR-CHEM AG SPECTRA-BLUE is a highly concentrated dye for use with agricultural marking foams. AR-CHEM AG SPECTRA-BLUE will not harm plants or soil, and is compatible with most foam concentrates.

**DIRECTIONS FOR USE**

SHAKE WELL BEFORE USING! Use 1 to 2 ounces of AR-CHEM AG SPECTRA-BLUE for every 10 gallons of mixed foam solution. If more color is desired by operator, more dye may be added to the foam tank. Be sure AR-CHEM AG SPECTRA-BLUE is the last thing added to the foam generating tank. Rinse empty dye container several times and empty rinse water into the foam tank.

Note: AR-CHEM AG SPECTRA-BLUE will stain, but may be removed with several washings of soap and water.

**CAUTION**

Harmful or fatal if swallowed. Do not take internally.

**First Aid**

If In Eyes: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical attention.  
If On Skin: Scrub area with soap and water. Remove contaminated clothing and launder separately before reuse. If irritation persists, obtain medical attention.  
If Swallowed: Contact physician or poison control center immediately. Rinse mouth out with water. Give affected person 1 to 2 glasses of water. Induce vomiting. Never give anything to an unconscious person.  
If Inhaled: Remove person to fresh air.
