

FOUR WAY ACTION

PENETRANT & RUST PREVENTATIVE

FOUR WAY ACTION

PENETRANT & RUST PREVENTATIVE

FOUR WAY ACTION is an oil specially engineered for use in municipal and industrial institutions. This multi-purpose lubricant is used as a cutting oil, tapping fluid and parts lubricant. It penetrates to protect and preserve valuable tools and equipment, which increases production, maintenance and repair time.

DIRECTIONS

Apply **FOUR WAY ACTION** generously to all surfaces requiring protection. May be applied by brushing, spraying, swabbing, or pouring. Reapply as needed when lubricating film has worn or weathered off.

CAUTION - COMBUSTIBLE

HARMFUL OR FATAL IF SWALLOWED. Keep away from heat, sparks, and open flame. Use with adequate ventilation. Avoid contact with eyes and prolonged contact with skin.

FIRST AID:

If Swallowed: Contact physician or poison control center immediately. Do not induce vomiting unless told to do so by a physician or poison control center. Keep person at rest. Obtain medical attention.

If Inhaled: Remove person to fresh air. Administer artificial respiration if breathing has stopped. Obtain medical attention.

If In Eyes: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical attention.

If On Skin: Flush skin with soap and water while removing all contaminated clothing. If irritation persists, obtain medical attention. Launder clothing separately before reuse.
