NFPA® RATINGS:

Health: 2; Flammability: 0; Reactivity: 0

INGREDIENTS/CAS #:

Water (7732-18-5); Synthetic Detergent/Chelate (Proprietary)

SPRAY-N-GO is so effective at cleaning showers that you'll never need to scrub, wipe, squeegee or rinse surfaces ever again. Thoroughly spray down surfaces and fixtures with non-toxic **SPRAY-N-GO**. One step is all it takes and the job is done.

SPRAY-N-GO eliminates tough soils including soap scum, iron stains and hard water deposits. Heavy buildup is completely removed after a few weeks of using **SPRAY-N-GO**. Spraying showers daily actually keeps grime and soap scum from adhering and building up on shower surfaces. **SPRAY-N-GO** can be safely used on almost all materials including:

- **Tile • Fiberglass • Grout • Plastic curtains**
- **Corian® • Chrome • Terrazzo • Glass doors**
- **Rubber • Porcelain • Sinks • Water fountains**

SPRAY-N-GO — Just spray and walk away!

- No wiping necessary
- Leaves surfaces bright and shiny
- Prevents soap scum and hard water stains
- Causes water to sheet and quickly runoff
- Contains no solvents or Isopropyl alcohol
- Neutral pH - safe for use on most surfaces
- Dries completely clear - No unattractive haze or residue

DIRECTIONS:

Thoroughly spray down shower surface using a trigger sprayer. Normal buildup and other soils will begin to dissolve overnight. Heavy buildup may take longer. After a few minutes, surfaces may be rinsed, but this is not required.. Continue applying **SPRAY-N-GO** on a daily basis to prevent buildup.

Please Recycle.
