

# CHERRY ODOR CONTROL

## Concentrated Odor Neutralizer

**Form:** Liquid

**Color:** Red

**Odor:** Cherry

**pH:** 7.00

**Solubility (in water):** Soluble  
**(in mineral spirits):** Insoluble

**Viscosity (CPS at 70°F):** >40

**Flash Point (ASTM D-7821):** 128 °F

**Specific Gravity:** 0.99 ± 0.05 g/cm<sup>3</sup>

**Density** 8.26 ± 0.05 lbs/gal

**Storage Stability (at 70°F):** 1 year

### Ideal for use in...

- **Banquet Halls**
- **Nursing Homes**
- **Schools**
- **Hotels**
- **Motels**
- **Industrial Buildings**
- **Offices**
- **Restaurants**
- **Hospitals, etc.**

### Ingredients

### C.A.S. #

Water ..... 7732-18-5  
 Isopropanol ..... 67-63-0  
 Ethoxylated Alkyl Amine ..... 68478-95-5  
 Perfume..... No CAS Number  
 Dye ..... No CAS Number

**DIRECTIONS:** For general deodorizing, dilute 1 to 2 ounces in 1 gallon of water and mist into the air. For areas requiring extra attention, spray CHERRY ODOR CONTROL into the air and on the source of odors. CHERRY ODOR CONTROL can also be added to mop water and other cleaning solutions at 2 ounces per gallon of solution to leave surfaces not only clean but fresh smelling as well.

To control odors in aerator lagoons, open digesters and filter beds, inject undiluted CHERRY ODOR CONTROL into the line leading to the source of odors. The amount of CHERRY ODOR CONTROL injected will vary with temperature, air movement and intensity of odor to be controlled. Another method is to use equipment to spray or mist undiluted CHERRY ODOR CONTROL over the source of odors, allowing air motion to carry it over the areas, mixing it with the odors, vapors or fumes.

To control odors in sewer mains and laterals, pour, spray or drip undiluted CHERRY ODOR CONTROL liberally over the source of odors. Deodorize the containers, conveyors and trucks regularly, using CHERRY ODOR CONTROL.

For garbage and refuse containers, trucks and dumps, spray or drip undiluted CHERRY ODOR CONTROL liberally over the source of odors. Deodorize the container, conveyors and trucks regularly, using CHERRY ODOR CONTROL.
