KITCHENS • LAUNDRY STAINS

### DANGER

Harmful if swallowed. Causes serious eye damage.

**KEEP OUT OF REACH OF CHILDREN**

**NET CONTENTS: 50 LBS.**

**THUMBS UP** is a versatile oxygen-based cleaner that:

- washes virtually any surface
- removes deep, set-in stains
- completely eliminates harsh, foul odors

While **THUMBS UP** is an extremely powerful powder, it's very gentle and can be used on almost any water-washable surface including:

**fabrics • plastics • fiberglass • porcelain  
ceramics • wood • concrete • glass  
carpet • canvas • rubber • metal**

Plus, **THUMBS UP** is simple to use. It best dissolves in warm water, whether it be soft or hard water. Once mixed into a solution, it's easily applied with a trigger sprayer, cloth or brush. **THUMBS UP** is also compatible with household detergents so there's no worry of dangerous fumes developing. Best of all, **THUMBS UP** is non-toxic and won't harm the environment.

Clean up the mold and mildew stains from your shower curtain. Remove that ketchup stain from your yellow sweater. Eliminate those musty food odors from your cutting board. Every cleaning job turns out all right with **THUMBS UP**.

**NOTE:** Be sure to test **THUMBS UP** in an inconspicuous area for colorfastness allowing it to dry. Do not leave a diluted solution of **THUMBS UP** in a sealed container for a long time. The solution continues to give off oxygen causing the container to leak. Do not use on silk, wool or leather. Do not mix with bleach.

**DIRECTIONS:** (for most common uses)

- 1. To remove mold, mildew & water damage**
  - Add 3-5oz. of **THUMBS UP** per gallon of water
  - Spray on surface, re-spray to keep damp for 25 minutes, scrub then rinse
- 2. To destain concrete**
  - Broadcast on wet surface, scrub, allow 15 minutes contact time then rinse
- 3. To clean lawn furniture, awnings & umbrellas**
  - Add 2oz. of **THUMBS UP** per gallon of water
  - Scrub surface, allow 15 minutes contact time then rinse
- 4. To deodorize drains**
  - Add 1oz. of **THUMBS UP** to 8oz. hot water
  - Slowly pour into drain & rinse
- 5. To deodorize garbage disposals**
  - Add 1oz. of **THUMBS UP** to 8oz. hot water
  - Slowly pour into operating disposal & rinse
- 6. An addition to laundry cycle**
  - Add 2-8oz. of **THUMBS UP** per laundry load
  - Add to wash machine with laundry detergent
  - Use more for heavy soils
