D'Lox Wipe Away RTU

Avoid breathing mist, spray. Contaminated work clothing must not be allowed out of the workplace. Wear eye protection, protective clothing, protective gloves. Take off contaminated clothing and wash it before reuse.

IF ON SKIN: Wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor, a POISON CENTER.

*For industrial and commercial use only.
For additional information, see Safety Data Sheet.*

D'Lox WIPE AWAY RTU is a surface cleaner formulated to utilize the power of hydrogen peroxide and the cleaning ability of d-Limonene. This advanced formula is stabilized at a highly alkaline pH, which enhances the cleaning ability of the "oxygen-activated" cleaner, the d-Limonene, and the special grease fighting surfactants. This incredible cleaner is powerful enough to remove such stains as coffee, juice, blood, ink, grease, and more from nearly all types of surfaces including upholstery, carpeting, appliances, counter-tops, and much more! No messy mixing involved - simply spray and wipe away!

DIRECTIONS

Spray on stain or soil. Allow a few minutes to work, then simply wipe away. For easy to remove grease, spots, and stains, **D'Lox WIPE AWAY RTU** may be diluted with up to 10 parts water. Always test in an inconspicuous area before using.

NFPA* Ratings

Health: 2; Flammability: 0; Reactivity: 0

Contains/CAS Number:

Water (7732-18-5); Hydrogen Peroxide (7722-84-1); Ethoxylated Alcohol (Proprietary); Quaternary Amine Compound (Proprietary); d-Limonene (5989-27-5).

Dispose of contents/container to comply with local/regional/national/international regulations.
