IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

SPECIMEN LABEL

Ramrod Thermo Drain Cleaner cleans and maintains drains by attacking the key sources of stopped or slow-moving drains (Hair, Soap Scum, & Slime) which becomes trapped, matted, and tangled causing problems in: Showers, Floor Drains, Drinking Fountains, Condensate Drains, Urinals, Sinks, X-Ray Sinks, Bath tubs, and more!

DIRECTIONS: Good safety practices should include the use of rubber gloves, protective clothing, and eye protection when using **Ramrod Thermo Drain Cleaner**. While holding the product at arm's length, carefully pour 1 capful into slow-flowing drain opening and follow with a trickle of water. Let stand for 60-90 seconds. Repeat until drain is free-flowing. For regular drain maintenance, repeat this process on a weekly basis. For heavy deposit drains, use 2 to 3 capfuls several times per week as needed.

Never position head over drain opening. Do not use hot water or other chemicals with this product.

CONTAINS/CAS#: Sodium hydroxide (1310-73-2); Sodium carbonate (497-19-8).
