

DEO-VOM-ZORB

Granular Vomitus Control

Form: Granular

Color: Orange

Odor: Wintergreen - Mint

pH: N/A

Solubility (in water): Negligible
(in mineral spirits): No data available

Flash Point (Closed Cup): >200°F

Specific Gravity: N/D

Density: 2.3 lbs/gal

Storage Stability (at 70°F): 2 years (If dry)

Use In...
• Schools
• Police Cars
• Nurseries
• Taverns
• Kennels
• Restaurants
• Camping Grounds
• Nursing Homes
• Festival/Amusement Sites
• Wherever People Gather

DIRECTIONS: When vomitus or other mishap occurs, spread a 1/2-inch layer of aromatic absorbent onto the problem area. Allow a short period for absorption. Then sweep or scrape spillage onto a dustpan, or piece of cardboard, or back into reclosable bag for easy disposal – with no trace of the accident. If area remains slightly wet, sprinkle on more absorbent and work it in with a broom.

NOTE: When used on carpeting or upholstery, remove promptly after absorption is complete.
