

# CLEAN SHOTS

## GUN LUBRICATING WIPES

Lubricates • Cleans • Protects

### Safe On All Firearms

**DANGER**

May be fatal if swallowed and enters airway.

### KEEP OUT OF REACH OF CHILDREN

60 LARGE WIPES 7" X 8" (17.8 cm X 20.3 cm)

**DANGER:**

May be fatal if swallowed and enters airways.

**IF SWALLOWED:** Immediately call a doctor, a POISON CENTER. Do NOT induce vomiting.

Store locked up.

Dispose of contents/container to comply with local/regional/national/international regulations.

**In case of fire:** Water spray, Carbon dioxide, Dry chemical powder.

*For industrial and commercial use only.*

*For additional information, see Safety Data Sheet.*

**DIRECTIONS:**

**ALWAYS ENSURE FIREARM IS UNLOADED BEFORE CLEANING.**

Apply a thin lubricating film on firearms to repel moisture and prevent rust. Used regularly, these wipes can prevent the build up on carbon deposits in weapons thereby helping the firearm to function properly and extending firearm life. Wipes can be twisted and inserted in one end of the barrel and pulled through the other end to clean and lubricate the inside of firearms. For smaller weapons, simply cut wipes into the appropriate strip size to ease entry through the bore.

**NFPA® RATINGS:**

Health: 1; Flammability: 1; Reactivity: 0

**INGREDIENTS/CAS #:**

Isoparaffinic Hydrocarbon/64742-47-8; Polydimethylsiloxane/63148-62-9; Alkanes, C14-16/90622-46-1

# CLEAN SHOTS

**CLEAN SHOTS** are specially formulated to effectively clean, lubricate and protect exposed surfaces from moisture. These extra large wipes are pre-moistened and convenient to carry anywhere. Safe for use on all firearm surfaces including barrels, stocks, and grips. Ideal for use in wiping down the firearm anytime after it has been discharged.

**CLEAN SHOTS** clean, protect and preserve firearms even in foul weather. Contains a high grade lubricant for smooth, reliable operation of firearm parts while leaving a protective coating. Recommended for use on modern firearms in good working condition.

**RECOMMENDED FOR:**

- Handguns • Rifles • Chambers • Barrels • Choke Tubes
- Gas Ports • Magazines • Barrel Threads • Bolt Lever
- Slide Actions • Single Shots • Automatics • Shotguns
- Muzzle Loaders • Air Guns

Please Recycle.  
Canister made from 25% post-consumer recycled plastic.
